Learning, Caring and Achieving Together

THE AIMS OF THE SCHOOL

We aim to create and maintain:

- A rewarding, enjoyable and safe learning experience
- Outstanding teaching in an outstanding school
- A relevant and rich curriculum
- A thriving, pupil-led community
- The development of key learning and personal skills
- Social, moral, cultural, spiritual and physical development for all our pupils
- Collaborative work with colleagues locally, nationally and beyond

Daring, Believing, Achieving

Citizenship – more than simply results

Building Teams – CPD, Value and Investment

Efficient Working
'Will it Make the Boat go Faster?'

Experiment, Play and Research

Maths

To secure strong practice of Maths mastery

Hiltingbury Learner

To ensure teaching and learning is fully impacted by the application of the Hiltingbury Learner

Assessment

To make further adjustments to our approach to assessment to ensure maximum impact on teaching and learning

Feedback

To ensure that marking and feedback is as effective, yet efficient, as possible for maximum impact on teaching and learning

SEND/LPA

To ensure effective differentiation and variation (D/V) is in place for each Maths and English lesson so all SEND and LCA children make comparative rates of progress to their peers
