Message from Miss Loosemore

Dear Parents and Carers,

This is the time of year when Mrs Batten and I start to hear the year 6 children's new musical songs blare through the hall wall into our office; and this year is no different! Our year 6 children have all been very excited to be able to start rehearsing for their upcoming production in summer 2. The year 6 team found it very hard to come to a final decision about which performance they would like to choose, but 'High School Musical' is being loved by them all already.

On Tuesday Mike Chater, Hampshire architect, led our whole school assembly giving the children an insight into our new school building and the project journey that we will go on next year. The children were amazed with the new designs and had lots of questions about how ECO friendly our school will be. We also look forward to sharing these details with Parents and Carers on Monday 5th June at 3.30pm too.

Some of our children will be coming home today with Hugo Bears. Mrs Batten and I met with the nominated children and asked them to look after their Hugo Bear over the holidays. We will meet again to hear all about their adventures on the first day back.

We all thoroughly enjoyed our Community Day today! Thank you to everyone who was able to join us this afternoon and we hope you enjoyed joining in with celebrating our rich, diverse community. This was a great way to end a brilliant half term!

With the summer weather finally arriving, we hope you all have a wonderful May half term break and look forward to welcoming everyone back on Monday 5th June.

Best wishes,

Zoe Loosemore

Highlight Wellbeing

Please talk to your child about our community afternoon in school today. Ask how your child felt about their year group performance; did they feel differently after their presentation than they did before it? How did they feel watching the other performances? Today has been a very colourful and vibrant day around school, ask your child what 'community' means to them, and how today has reflected our school community and our wider world.

Enjoy a peaceful and fun half term break with your families, with a well-earned rest before we welcome the children back for the final busy and bustling half term of this academic year.
