29th March 2023

Dear Parents and Carers,

Trip: Sir Harold Hillier Gardens – Friday 28th April 2023

As part of our study of science unit on plants, we have organised for an exciting Year 3 visit Sir Harold Hillier Gardens & Arboretum, Jermyns Lane, Romsey, on **Friday 28th April**. The focus of the trip will be an opportunity for the children to learn about plant growth and enjoy some outdoor learning experiences too.

We advise for the children to wear comfortable, outdoor clothing that will keep them warm as they are going to be outside all day. Sensible walking shoes will be ideal and a packed lunch, including a healthy snack and drink. As the children will be having their lunch outside, please can you also pack a plastic bag for them to sit on.

We will be leaving school by coach at 9.30am so please ensure your children are in school promptly and we will leave Hilliers at 2.30pm to be back in school for normal pick up at 3.20pm.

In order for your child to attend, we would be grateful if you could please provide consent and make a contribution of **£16.65**, via Arbor no later than **Monday 17th April**. For instructions on how to do this via the Parent Portal or Arbor App please follow the link below:

[Signing my Child up for a Trip](#)

We are excited to be able to ask for parental help on this trip. If you are available to support us on this trip, please could you complete the following form: [Hilliers Parental Help Form](#). If your help is required, your child's teacher will be in contact with you by email to confirm.

We are very much looking forward to sharing this enrichment experience with the children in Year 3 and thank you for your support.

Yours sincerely,

The Year 3 Team
