

## Message from Miss Loosemore

Dear Parents and Carers,

Our lunch times have been full of singing, dancing and acting and many more performances with our 'Hiltingbury's Got talent' auditions starting. We have been blown away by the amount of children who have entered, their enthusiasm and preparations. We have seen the children grow in confidence as they have performed and it has certainly been a highlight for Mrs Hartley and me this week – we have been thoroughly entertained. A big thank you to our house captains too whose organisation of the auditions has been amazing!

As you know, the talent show is all about celebrating Hugo's 1<sup>st</sup> birthday and I am pleased to say that he really enjoyed all the children singing to him in assembly on Monday. He clearly understood that he was the centre of attention!

We have our whole school transition day on Monday, 26<sup>th</sup> June when all of the children will meet their new teachers and enjoy the brilliant activities and theme for the day. A big thank you to Mrs Blisset, Miss Bristow, Miss Chambers and Mrs Spence for their hard work in planning the day – we are sure that your children will be excited to tell you about it on Monday after school. We also wish our year 6's the best of luck as they go on their transition visits to their new secondary schools, with Thornden and Toynbee also on the 26<sup>th</sup> June.

On Tuesday afternoon this week, our subject leaders led valuable pupil conferencing sessions across the school. This forms part of their monitoring for subject improvements and it has been great to hear about the impact of their leadership this year.

A reminder that next Saturday, 1<sup>st</sup> of July is our Orchestra day – a big thank you in advance to Mrs Nurdin for organizing this and we look forward to sharing the success of the day.

Wishing all an enjoyable sunny weekend!

Best wishes,

**Zoe Loosemore**

## Eco Team Update

The Eco team have been working hard this year improving the energy usage of the school; managing litter reduction and improving our school grounds. The team worked together to write an eco code that encompasses what we believe as a school. In a recent survey of the classes we found that many of the pupils of the school have looked outwardly in the community have taken part in their own litter picking and planting trees. We would love to hear from you if that was you. If you have photos you would like to share we would love to add them to our schools eco page on our website. Please email for attention of Mrs Richardson through the school office. We look forward to updating to further successes as the term goes on.

## Eco Code

Save our planet

And protect our wildlife.

Very small choices can make a very big change

Everyone can make a difference.

Our eco code is...

Use the bins provided

Reuse, recycle and reduce

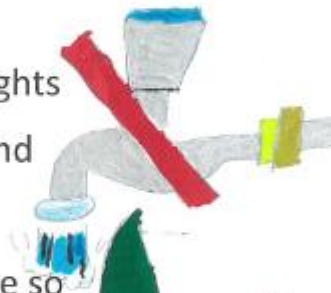

We save energy by turning off the lights

— Only using the electricity we need and

Reduce our water usage.

Lots of people can make a big change so

Don't forget doing a little goes a long way

## Highlight Well-being

This week there has been a lot of excitement around school about the upcoming talent show!

Whether your child is confident to perform their talents, or whether they have gifts that don't relate to a stage, please take time this week to celebrate them.

It is essential to self esteem and wellbeing for children to experience your undivided and unconditional attention and praise as they show you what they are proud of.

**YOU  
ARE  
AMAZING**

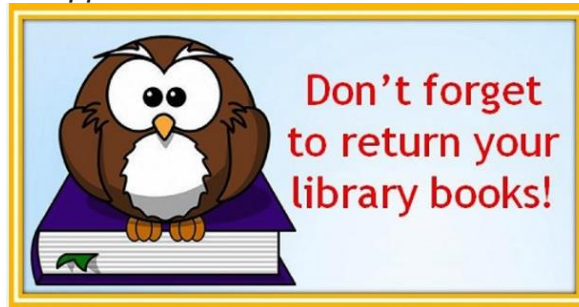

## Returning School Library Books

**ALL** library books need to be returned to school so that we can check our stock in readiness for the next academic year. Many thanks for your support over the year, with ensuring our books are returned to school at the right time and can be enjoyed by others.

**Year 6 please return library books by Tuesday 27th June.**

**Years 3, 4 and 5 please return library books by Friday 30th June.**

*Thank you for your continued support.*
