

## Message from Miss Loosemore

Dear Parents and Carers,

Well done to everyone for taking part in our annual sports day! We all very much enjoyed it and loved watching the children taking part and showing great sportsmanship!

PE Days next year - From next year the children will wear their PE kits into school on the days that they are taught PE. We will share soon what days each year group will be having their PE days but wanted to give you advanced notice in case you start buying school uniform.

Best wishes,

Zoe Loosemore

## Highlight Well-being

The school has been full of the magic of sound this week!

Firstly we have had our school orchestra day when Mrs Nurdin and Miss Chambers led a large group of children and parents to perform together. We then have had various musical concerts where children have showcased their music learning during the year. We have also had ongoing auditions for the talent show, not to mention the rehearsals for our year 6 productions. It has been wonderful to hear them all.

We know that singing, and enjoying music of all kinds is highly beneficial for our wellbeing. Music can change our mood, or enhance the range of life's rich experiences. It can allow us to FEEL OUR FEELINGS and this is a wonderful thing to share as a family.

Take some time this weekend to share your favourite songs or pieces of music with your child, and ask them about theirs. When you hear music, ask your child to reflect on how it makes them feel. How does the music enhance the experience of what is happening in a movie? Which sounds make you want to move or dance? Which songs remind you of a friend or family member? The way that different sounds can impact us emotionally is powerful, and hard to express and understand, and this is true from Hiltingbury to Hogwarts, as the following quote from Dumbledore demonstrates -

*"Ah, music," he said, wiping his eyes. "A magic beyond all we do here!"*

## Community Sports Activities

### Can you help keep the Borough's children and young people active in the summer holidays?

Eastleigh Active is run by Eastleigh Borough Council and provides 5 to 16-year-olds the chance to take part in a wide range of sports and activities throughout the school summer holidays for free or at a subsidised price of just £3.50 per session (concessions available). The annual programme is funded by SportWorks as well as the Local Area Committees, Parish and Town Councils, and is supported by a broad range of partners including sports clubs, activity providers and facilities.

If you are able to send out the link [www.eastleigh.gov.uk/eastleighactive](http://www.eastleigh.gov.uk/eastleighactive) and the attached poster in any parent mail or newsletters we would be very grateful.

Bookings open from Monday 3 July and some sessions fill up fast, so please ensure reach your pupils as soon as possible to ensure they do not miss out on the bookable sessions.

We really appreciate your support with promoting Eastleigh Active to your pupils so they can make the most of this amazing opportunity. Thank you!

Yours sincerely,

Health & Wellbeing Team

**?????? COLOUR FUN IS COMING! ????????**

Yes I know we haven't stopped wittering on about the summer fayre for ages now (it's tomorrow), but as it was the first one for a few years I@m sure you can forgive us... BUT NOW...

**The one...  
The only...  
Probably the most fun the children will have all year!!  
Book your child's COLOUR FUN ticket [online NOW!!](#)**

On the last day of term all children with a ticket will head to the playground, once class at a time, the children get to shuffle, skip, run, dodge and duck around the playground (infants) or field (juniors) whilst volunteers stand around and gently throw coloured corn starch towards them. Children can get as close or stay as far away as they like! There's music, sometimes optional water pistols to go near or keep away from and overall a very fun atmosphere for everyone!

We suggest the children buy or wear a white t-shirt so it can pick up the colours and you can then save it as a memento if you'd like. You can buy a special Colour Fun t-shirt directly from us too!

And what about all the parents who have slaved away at calendar reminders and announcements all year?! What is in it for you? Well we're fully booked for volunteers, but we do have...

**The MOST COLOURFUL RAFFLE OF THE YEAR!!**

This also ties in to our final Raffle of the year - the Rainbow Raffle! Each year group collects one colour of donations (think purple chocolates, yellow crisps, red wine etc...) on non uniform day (13th July) and we will turn these items into beautiful rainbow hampers for prizes!!

**On 13th July  
NON UNIFORM DAY -  
BRING IN DONATIONS IN YOUR  
YEAR GROUP'S COLOUR >>>**

**TODAY/NEXT WEEK -

Buy tickets with cash or pay online, keep hold of your stubs and send in the slips you have bought, instructions will be with the tickets too.

## HSPTA ROLES TO FILL

We have a few people ending their term and would love to get some fresh experience into the team to help us keep running and giving our children great experiences and enrichments through everything we do.

### SECRETARY

#### LIKE TAKING NOTES?

Jacqui has reached the end of her 3 year term as secretary so we need a new person from September 2023. This role involves taking notes during meetings and writing up the agenda and minutes. Managing the info email inbox where occasional ticket or event enquiries come in. Also knowing the rules and keeping us on track is helpful.

### VICE CHAIR

#### SIDE-KICK BOSS

Our current vice chair needs to step down, but would stay if she could. This role can be variable is mainly there to support the chair (Nikki Folland) and help the rest of the team however possible. Currently this person puts the newsletter together most weeks and just keeps communications going.

### CLASS REPS

#### CHIT CHAT CHOP

Each year we have a rep nominated per year who helps make sure that their year group stays informed of all the events, tickets, dates, dress down days and other key information! It's a great role to take if you'd like to get involved but can't commit to too much or want to test the water first.
