27th February 2024

Dear Parents and Carers,

On **Friday 8th March**, Year 4 will be visiting the church of St. Martin in the Wood, on Queens Road in Hiltingbury. This trip is to tie in with our Easter religious education unit on 'sacrifice', and enable the children to explore what this means in a Christian context. As always with RE, the aim is to enable children to find out more about others' beliefs to develop understanding, while respecting that the children themselves may hold a different set of beliefs. We will not be participating in worship.

Each classes' visit will be staggered over the morning with classes leaving school as follows.

4S - 9am

4DN - 9.45am

4P - 10.30am

We will need adult help for the walk to the church and back. Please indicate on the form below if you are able to help. Please check what time your child's class is going!

[Parental Help Google Form](#)

Children will wear their normal school uniform but please ensure they have a coat in school that day. The children will be back in time for a normal lunch. There is no charge for this visit.

Best wishes,

The Year 4 team
