

HILTINGBURY HIGHLIGHTS

Issue 23
15th March 2024

Headteacher's message

Dear Parents and Carers,

We have all enjoyed a bright and colourful day celebrating 'Red Nose Day'. Thank you to the whole community for their contributions in supporting such a worthy cause. So far we have raised over £800!

This week we have really enjoyed welcoming our Lead Learning Partner from Hampshire County Council to review the progress towards our school improvement and today we enjoyed our Governors visiting the school carrying out a range of activities including pupil conferencing, visiting classes and joining in learning opportunities.

'Today we had a whole day visit to the school to cover a range of areas including; curriculum development, behaviour and attitudes progress and teaching and learning pedagogy. One highlight was Miss Downer presenting with such passion about the new year 3 curriculum. Seeing the classes in action and talking with the children we feel incredibly proud to be part of Hiltingbury Junior School community. All children we spoke to shared happily and confidently about how the school supports their wellbeing, how supportive the staff are and were very expressive about their roles in school.'

Thank you to our governing body for giving up their time to support the school development. We are very lucky to have such a dedicated, reflective and driven team around us.

Wishing you all a relaxing weekend together.

Best wishes,

Zoe Loosenmore

Dates for your diary

18-25th March -
Neurodiversity Celebration
Week

18th March - Parents
Evening-in school

18th March - Bling your
Bike/Scooter

20th March - Parents

Highlight Wellbeing

Wow! The book fair was a huge success thank you to everyone that came along and supported the event. It certainly was very busy! We have raised an INCREDIBLE £901 in value towards free books for our school. We hope the children enjoy reading their new book(s). Books that have been ordered have been given to the children as soon as they arrive in school, the last remaining books will be handed out very shortly. Thank you to the staff who helped run the event with Mrs Thomas.

This year Eastleigh Borough Council is 50-years old and to celebrate we're inviting those who live, work, or go to school in the Borough, to unleash their imagination and draw a logo celebrating our 50-year milestone.

Capture 50 Golden Years and your connection to Eastleigh, while leaving your mark on our community's history!

FREE Maths Qualifications

Multiply is a government funded programme aimed at improving numeracy skills for adults over 19 years. The priority target is those who do not already have a level 2 maths qualification, (e.g., GCSE or O 'Level maths grade 4/C and above, or Level 2 Functional skills in maths).

However, the Government has recently relaxed the eligibility criteria, and our courses are now also available to those who may have a Level 2 Maths qualification but are still anxious about maths and may have experienced a "skill fade" since they did their qualification.

On the 4th of April 2024 we are hosting a FREE family fun day at 878 AD, The Brooks Shopping Centre, from 2.00pm Onwards for families with children aged 6 and over.

The Multiply team are hosting a FREE family fun session with an Anglo-Saxon theme. Come along and join in with some maths related, interactive activities.

Date: 4th April, 2024

Time: 2pm onwards

Venue: 878 AD, The Brooks Shopping Centre, Upper Level, Upper Brook Street, Winchester, SO23 8QY

Eligibility: The event is free for families with children aged 6 and over. Unfortunately we cannot accommodate babies. At least one of the adults attending must NOT hold a GCSE grade 4/C or above or a Level 2 maths qualification to be eligible.
