17th May 2024

Headteacher's message

Dear Parents and Carers,

We cannot say enough about how proud we have been this week of our year 6 cohort. Every child has come to school with such a determination to try their best. They have been exemplary in their attitudes and we cannot thank them enough for such positivity. In reflecting on the week some children shared; 'From the breakfast to the exams everyone was enthusiastic and had a smile on their face.' 'The week was not just about SATS but remembering everything we had learnt and having fun with our friends.' 'It was an experience that I will never forget.' We hope for those of you who could join us this afternoon in our assembly could see just how proud we were.

Nearing the end of the term we have a lot to celebrate with many events happening over the final week. For Years 3 and 5 they have their new curriculum project outcomes and year 4 their performance of Beowulf. We also have our school community day on Thursday 23rd May with an invite to you all to come and join us celebrating the 'Spirit of Sustainability'. Each year group will be discovering different ways in which we can all work together to support this school mission. The afternoon will end with our traditional picnic event on the field bringing both schools together. We look forward to seeing you all there!

We have such talented musicians in our school and we hope that the Parent evening sessions with your child's Peripatetic Teacher this week have been a pleasure to join.

Today we enjoyed our House Sports Event in the sunshine! Our Sports Leaders took responsibility for coaching, umpiring and scoring each event with the children taking part in either basketball, dodgeball or benchball. All of the points will now be counted and the results shared with the children soon.

Wishing you all a lovely weekend!

Zoe Loosemore

Dates for your diary

20-24th May - Walk to School Week

Tuesday 21st May -
