## Headteacher's message

Dear Parents and Carers,

Our transition events have started this week with some of our Year 6 children visiting Thornden and some of our new Year 3 cohort coming over to visit our school. Our Embrace and Connected Parent and Carer event this week took on the theme of transition and Mr Achilles and Dr Jerry Brown shared guidance on how we can all work together to support the children. We want to ensure all of our children feel fully supported during this time of transition.

We thank you all for helping us come together to support our local charity, Baby Necessities. This baby bank provides new and pre-loved items to families in need. Their aim is to alleviate child poverty and promote the reuse of items through simple redistribution. Please visit their website to find out other ways you can contribute outside of our school community.

After the fantastic feedback from our Reading open morning activities, we are excited to host a similar event for Maths next week. We look forward to welcoming parents and carers into the school to give an insight into our maths mastery curriculum. Each year group will focus on different aspects of this approach, ranging from concrete and pictorial representation to the importance of reasoning skills.

I would like to extend our gratitude in advance to each and every one of our HSPTA for their incredible efforts in organising such a brilliant summer fayre. Your hard work, dedication, and expert planning always makes the event a huge success-**Thank you!** We are excited for our school community to enjoy this event tomorrow.

Hugo is excited to celebrate his birthday with everyone at our Hugo's Wishes Disco next week - we hope you have all bought your tickets.

We all hope you enjoy a wonderful weekend.

## Highlight Well-Being

Thank you to everyone who was able to attend the 'Embrace' and 'Connected' parent workshop this week. We hope you found the presentation delivered by Jerry Brown (EP) on 'Supporting Children with Trauma' informative and also found it useful to have the opportunity to discuss provision to support your child with transitioning to the next year group.

Please use the link here to go to the **school website** for information and a 'Summer Sensory Survival Kit' which provides further information on how you can support with transition over the summer.
