12th June 2024

Dear Parents and Carers,

Al Sylvester Talk – Monday 8th July

As part of their new project, 'How can we succeed against the odds?' Year 4 are excited to welcome Al Sylvester to the school. Al is an inspirational speaker who led the Royal Air Force's first unsupported attempt on the South Pole. His experiences will bring to life our work based around Antarctica. He will be visiting Hiltingbury to talk to Year 4 on **Monday 8th July**.

In order to facilitate this wonderful opportunity we are asking for a contribution of £2.75 via your child's Arbor account by Monday 24th June.

Best wishes,

The Year 4 team
