3<sup>rd</sup> September 2024

Dear Parents and Carers,

As part of our new curriculum project launch, we are very pleased to have been able to organise adaptive athlete Jamie Gane to join us for the morning of 12th September. Over this morning, Jamie will deliver an assembly to the children sharing his inspiring story and giving them an opportunity to ask questions.

Following this, he will deliver a PE lesson to each class helping the children to practically experience the impact of adversity through sport and how it can affect us all in different ways.

Below is a snippet from Jamie's website:

*An athlete who thrives on pushing boundaries, both on the obstacle course and on the tatami. Ranked #1 in Obstacle Course Racing (OCR) and a former top-ranked Judoka, I proudly represent my country, showcasing resilience and proving that anything is possible. My story is one of overcoming adversity, and I share it with the hope of igniting a spark in others to chase their dreams, regardless of the challenges they face.*

This session promises to be a brilliant and highly motivational opportunity for the children, not least in engaging them in our new curriculum project but also highly relevant for them starting their journey in Year 6 too.

To cover the cost of this in-school visit, we would be grateful if you would make a contribution of **£4.40** via your child's Arbor account by **Tuesday 10th September**.

We look forward to a very exciting morning and an inspiring start to their time with us in Year 6!

Best wishes,  
Miss Chambers  
Year 6 Leader
