

Eco Warriors wanted!

Would you like to represent your class and year group as an Eco Warrior?

Do you really care about the environment in school and the wider community?

Do you have confidence to share ideas and to work in groups?

Areas of responsibility for 2025-2026

- Work closely together and represent pupil voice in relation to the environmental impact of your class.
- Raise awareness of environmental issues throughout the school community.
- Lead in a range of activities to support the positive steps to improve the school grounds, classroom and awareness of the environmental issues to your peers, teachers and parents.

Overall, an Eco Warrior will need to be an active participant in a range of activities that promotes the improvement of the school environment, to encourage others about the positive impact they can have and be willing to give up time to improve the school's impact in the wider community.

If you are interested in becoming an Eco Warrior, please write a short speech to present to your year group next week. You may wish to use these headings...

1. Why do you want to be an Eco Warrior?
2. What skills/talents do you have that would help you in this role?
3. What aspects of the role would you find challenging?
4. What aspects of the role would you find rewarding?

We look forward to hearing from you.

There will be one Eco warrior per class. Please be ready to share your speeches in the week of 22nd September.

The Eco warriors will be announced in assembly on Friday 26th September .
