MARCH 13TH - ISSUE #18

HEADTEACHERS MESSAGE

Dear Parents and Carers,

What a very busy and enriching week it has been in school! The children have enjoyed taking part in Walk to School Week and we have enjoyed seeing so many children arriving happy, active and ready to start the day. Your encouragement at home makes a real difference so thank you for getting involved.

It was also fantastic to welcome so many of you into school for Parents' Evening this week. These moments to connect, share progress and celebrate the children's achievements are so valuable and we greatly appreciate your time. Alongside this, we were delighted to host food sampling with our new caterers Chartwells. It was great to see families coming together to try the new food menu and be able to share their feedback.

Year 6 have made an excellent start to their Bikeability training today. They have already shown great focus and enthusiasm as they begin developing the essential skills they will take onto the roads next week. We are very proud of their positive attitude.

As we look ahead, we are excited for Year 5 as they set off on their residential trip to PGL on Sunday. While they will certainly be missed in school, we know they have an unforgettable week ahead, full of adventure and fun!

We would also like to extend a big thank you to everyone who joined us for Neurodiversity Celebration Week. It was lovely to see so many families engaging in our forest school activities. From toasting marshmallows to bug hunting, potion making and exploring loose parts play, there was a real sense of curiosity and creativity!

Next week promises to be just as exciting, with Year 4 preparing to take to the stage for their performance of Beowulf. We are very much looking forward to seeing their hard work and talent shine.

Wishing you all a wonderful weekend.
