

HILTINGBURY HIGHLIGHTS

JUNE 10TH - ISSUE #25

HEADTEACHERS MESSAGE

Dear Parents and Carers,

What a fantastic Hiltingbury Heptathlon Sports Day we have enjoyed today. It was wonderful to see such enthusiasm, teamwork and determination across all year groups. A special thank you goes to Mr Cross for leading the event so brilliantly and ensuring the day ran so smoothly. Thank you also to all families who came along to support the children and help make the day such a positive and memorable occasion.

Well done to all of our swimmers who represented the school at the Winchester Gala last Friday morning. They showed great effort, resilience and sportsmanship throughout the even and it was particularly lovely to see how supportive they were of one another as a team

Thank you to everyone who attended our RSHE (Relationships, Sex and Health Education) information meeting led by Mr Achilles. We were pleased to see such engagement and thoughtful discussion. If you were unable to attend, all of the information shared is available on the school website and you are very welcome to contact the school office with any further questions.

We have also recently updated our school website with our Online Safety Policy and Acceptable Use Policies. We encourage all parents and carers to take a moment to review these as they are an important part of keeping children safe online both in and out of school.

Our annual Summer Fayre is taking place on Saturday 13th June from 12-4pm. We are very much looking forward to welcoming our school community together to enjoy the wide range of games, activities and attractions on offer throughout the afternoon. A huge thank you in advance to our HSPTA for their hard work in planning and organising what promises to be a wonderful afternoon.

This week our new uniform supplier, Koolskools, led a whole school assembly introducing the story behind our new uniform. They shared how the uniform has been thoughtfully developed and highlighted their commitment to ethical sourcing and fair trade. The children learned about the journey clothing takes from design to production and how companies such as Koolskools work to ensure responsible manufacturing and fair working conditions for all involved. We thank the team for giving up their time to share these important messages.

In our recent governing body meeting, we continued to review the development of our proposed Resource Provision. Governors were pleased to confirm that the project has now received formal approval at Full Governing Body level. We will continue to keep you updated as this important work progresses.

Thank you, as always, for your continued support.

Best wishes,
Zoe Loosemore
Headteacher

A reminder: Hiltingbury Junior School library is open for all our children and families from 3.20pm-4pm on Friday afternoons.

Mrs Thomas is in the library during these sessions to support and help children discover books they will love.

We are delighted to offer this opportunity for you to spend time reading with your child and sharing the enjoyment of a book together relaxing in our library. This is also an ideal opportunity for your child to return and exchange their library book(s).

If you would like to join us, please come to the school office on arrival, where you will be asked to sign in before making your way to the library.

Garden Update following Power Down Day

Peas, Scarlet Beans and Broad Bean Success!

Plenty of Potatoes, flowers and
onions starting to take shape

Lots of lettuce, healthy tomato plants and....

Succulent Strawberries!!
