

HILTINGBURY HIGHLIGHTS

JUNE 19TH - ISSUE #26

HEADTEACHERS MESSAGE

Dear Parents and Carers,

We thoroughly enjoyed celebrating Hugo's 4th birthday in school yesterday. Hugo continues to be a very special member of our school community and his work as a therapy dog brings so much support and comfort to both children and staff. His calm presence, gentle nature and ability to support emotional wellbeing across the school make a real difference every day. We are incredibly lucky to have him as part of our team!

We have begun the exciting process of meeting our new Year 3 cohort and it has been a pleasure to welcome them and begin getting to know them. It is hard to believe that our whole school transition day is not far away on Monday 29th June. This is always a valuable opportunity for children to spend time with their new teachers and settle into their new year groups ahead of September. Ahead of transition day, we are adding a bit of fun to the build-up! On Friday 26th June, we have set a challenge for each year team to create their own social media style post revealing which staff will be in each year group next year. We are looking forward to seeing the creativity!

A huge well done to our Year 4 cohort for their hard work and positive attitude during the Multiplication Tables Check (MTC). The children showed great resilience, focus and determination throughout and we are very proud of their efforts. Mrs Spence, Mrs Nurdin, Mrs Deacon and Mr Achilles have all shared how impressed they have been with the children's approach and attitude. Well done year 4!

Thank you once again for everyone's support with our Summer Fayre last Saturday - it was a great event and we thoroughly enjoyed sharing the day together as a school community.

Following on from this success, the HSPTA have already begun planning our exciting end of term Colour Fun event. This will take place on the morning of the final day of term, Wednesday 22nd July, as a celebratory way to finish the school year. Children will then finish at 1.15pm on that day.

Wishing you all a wonderful weekend!

Best wishes,

Zoe Loosemore
Headteacher

UPCOMING EVENTS

**MONDAY 29 JUN -
TRANSITION DAY**

**FRIDAY 3 JUL - HSPTA QUIZ
NIGHT**

**WC 6 JULY - EXTRA
CURRICULAR CLUBS (APART
FROM ORCHESTRA & TOAST

The **SHOESWAP DROP & SWAP**

As part of our commitment to increasing outdoor learning opportunities and supporting sustainability within our school, we are bringing back our 'Drop and Swap' initiative for old and used trainers and wellies.

In the final week of every term, we invite you to drop off any outgrown but wearable trainers or wellies at the office entrance, putting them in the labelled shoe size box. In return, you can swap them for a pair in a different size.

The Drop and Swap Shop will be open from Monday 13th July until the end of term.

To help us keep things organised, please ensure that all shoes are securely tied together. We hope to make this a regular event each term to support our school community.

Thank you for your support and we look forward to seeing this initiative benefit many families!

Bicycle Equipment Library

Do you want to try cycling with your children, to work, to school or anywhere else but don't have the right equipment you need?

Walk Wheel Cycle Trust are excited

**to announce a new and FREE
Bicycle Equipment Library for the
Hampshire Bike It Schools!**

SUMMER term newsletter June 2026

Flu Vaccine

The NHS School Age Immunisation Service are planning the roll out of the 2026 winter flu vaccination programme to all year groups. The service offers the flu vaccine between September and December. You will receive an email, with details on how to complete the online form, for your child to receive the vaccine in school.

Flu can be a very unpleasant illness for children and young people. High vaccine uptake reduces the risk of flu spreading rapidly in school settings. This helps ensure they remain well, do not miss school days and continue to learn. Vaccinating children also helps protect others who are at higher risk of getting seriously ill from flu, such as babies, anyone who's pregnant and older people.

The vaccine is given as a painless nasal spray. An alternative porcine free injection is offered to those who cannot have the nasal spray.

Vaccines offered to secondary age students during the spring and summer term include:

Human Papillomavirus (HPV)

HPV vaccine is offered to boys and girls in year 8. This vaccine protects against different types of cancers in the future.

Meningitis ACWY (MenACWY)

Meningitis vaccine is offered in year 9. This vaccine protects against four different strains of bacteria (groups A, C, W, Y) and protects against Meningitis and Sepsis (blood poisoning).

Tetanus, Diphtheria and Polio (3-in-1) booster vaccine

The 3-in-1 booster vaccine is offered in year 9. This vaccine protects against serious and potentially life-threatening diseases and provides long lasting immunity against these specific conditions.

Community clinics are available during the school holidays for missed vaccinations.

Find out more about the vaccine programmes and our contact details here: [School Age Immunisation Service - Hampshire - Parents: Health for Kids](#)
