

HILTINGBURY HIGHLIGHTS

JUNE 26TH - ISSUE #27

HEADTEACHERS MESSAGE

Dear Parents and Carers,

Firstly, I would like to thank you for your support during this week's heatwave. It has certainly been a very warm few days, but I have been incredibly impressed by how our school community has worked together to keep everyone safe and comfortable. The children adapted brilliantly to the changes in routines, looked after one another and showed great support throughout. Thank you also for ensuring children came to school with water bottles, hats and suncream – your support made a real difference.

Looking ahead to the next academic year, we are delighted to share our new staff teams for September on our social media channels which are being revealed at 4pm today! Please take a look and share with your children!

On Monday, the children will take part in our annual Whole School Transition Day, with the theme "Growing Together". This is an important opportunity for children to meet their new teachers, spend time in their new classrooms and begin to build relationships within their new year group teams. Teachers have today shared social stories with the children and provided time to talk through any questions in preparation for Monday. These social stories can also be found on our website in your child's current year group page if you wish to look at these over the weekend.

We are also very much looking forward to the upcoming Year 6 production, which is always a highlight of the summer term and a key part of their legacy project. The children have been working incredibly hard to rehearse and prepare and we are excited to share their performances with you soon. It promises to be a wonderful celebration and a memorable production. Thank you once again for your continued support. As we approach the final weeks of the school year, there are still many exciting events and opportunities ahead and we look forward to sharing them with you.

Best wishes,
Zoe Loosemore

- As the weather is forecast to become cooler, handheld fans will no longer be needed in school after today.

The **SHOESWAP DROP & SWAP**

As part of our commitment to increasing outdoor learning opportunities and supporting sustainability within our school, we are bringing back our 'Drop and Swap' initiative for old and used trainers and wellies.

In the final week of every term, we invite you to drop off any outgrown but wearable trainers or wellies at the office entrance, putting them in the labelled shoe size box. In return, you can swap them for a pair in a different size.

The Drop and Swap Shop will be open from Monday 13th July until the end of term.

To help us keep things organised, please ensure that all shoes are securely tied together. We hope to make this a regular event each term to support our school community.

Thank you for your support and we look forward to seeing this initiative benefit many families!
