Headteacher Miss Zoe Loosemore

30 April 2021

Dear Parents and Carers,

YEAR 5 – 5M STREAM STUDY – Thursday 20th May 2021

As part of our Rivers Unit in Geography this term we have organized for Year 5 to visit The New Forest, Countryside Education Trust, Out of Town Centre, Palace Lane, Beaulieu. Your child will take part on the date shown at the top of this letter.

- Leave school by coach at 09.15 am
- Leave Beaulieu at 14.15 pm
- Group Leader: Miss McCarthy
- Activities:
 - Mapping location and following the course of the river
 - Experiments to investigate the river measuring flow and depth
- ❖ The children should wear old, but warm, **waterproof** outdoor clothing and Wellington boots. Please pack a carrier bag and a spare pair of socks.
- ❖ A packed lunch and drink preferably of the non-fizzy type, in an unbreakable container is required

A thorough risk assessment between ourselves and Beaulieu Education Centre has been carried out in line with guidance from the DfE and continuing to follow our own in-school practices. The children will spend the whole day outside, apart from eating their lunch, which will be in a large room used only by members of our school party. Should you have any concerns or queries about any aspect of the trip, please don't hesitate to contact us.

As with usual practice, please do continue to follow guidance with regard to Covid-19 advice and procedures and do not send your child to school on the day of the trip if they are displaying any symptoms. Thank you for your support with this in keeping everyone safe.

In order to cover the cost of this trip, we should be grateful if you would make a contribution of **£18.20** payable via Scopay no later than **Friday 7th May**.

No pupil in the group will be omitted from the visit, but should there be insufficient contributions then the activity will be cancelled and your money will be refunded in full. Any parent with financial difficulties should write in confidence to the Headteacher.

Yours sincerely

Zara Chambers

Year 5 Leader
