Headteacher Miss Zoe Loosemore

3rd November 2021

Dear Parents and Carers,

YEAR 5 TRIP TO WINCHESTER PLANETARIUM

To further enhance and bring to life our study of Earth and Space and Forces in science, we have organised a trip to Winchester's Science Centre and Planetarium next **Thursday 11th November**. Details as follows:

- Leave school by coach at: 9.30am
- Leave Planetarium at: 2.15pm
- Leaders: Zara Chambers, Liz Richardson, Kiara McCarthy
- Due to 11th November being 'Schools Thank NHS day', children are allowed to wear non-uniform on the bottom half, but **must wear their school jumper**. This is to support all children's safety on our school trip and thank you for your support with this. Sensible shoes are also essential.
- A packed lunch and a non-fizzy drink, in an unbreakable container, is required
- Activities: The children will be taking part in a special timetabled day of activities: a Planetarium show, involving a virtual flight through the Universe, an interactive workshop and 'hands on' time with the exhibits to learn all about forces.
- In event of emergency, contact should be made directly to the school office.

To cover the cost of this visit we should be grateful if you would make a contribution of **£16.75** via Scopay **no later than Monday 8th November**. No pupil in the group will be excluded from the event, but should there be insufficient contributions, the activity will be cancelled and your money returned in full. Any parent with financial difficulties should write in confidence to the Headteacher.

We will automatically transfer any payments we had received for Sirius Astronomy over to this trip as partial payment. Unfortunately, we have not been able to reschedule a workshop from Sirius Astronomy at this time, however we very much look forward to an exciting day ahead at Winchester Science Centre.

Yours sincerely

Zara Chambers
Year 5 Leader
