10<sup>th</sup> November 2021

Dear Parents and Carers,

**Maths Information Evening – Wednesday 24<sup>th</sup> November 2021 – 5-6pm**

We are very much looking forward to the first of our curriculum information evenings being held on Wednesday 24<sup>th</sup> November, 5pm-6pm. This evening will provide an insight into our Maths Curriculum and how we teach this to the children across the school.

Our hope is that it will be possible for this to be an in-school event, but alternatively it will take place virtually via Zoom and we will confirm this nearer the time.

To help us tailor the evening to the areas that you would find most beneficial, we would appreciate it if you could take the time to complete this short [Maths Information Evening](#) google form by **Tuesday 16<sup>th</sup> November**.

Yours sincerely

*Fiona Coking*  
Maths Leader
