

Who are we?

Hiltingbury Schools Parent Teacher Association (HSPTA) is a registered charity. Our aim is to raise money to support both the infant and junior schools in developing their resources and providing experiences to enhance the children's learning.

The HSPTA is run by a group of parent volunteers with the support of the leadership teams and teaching staff from both schools. The Committee consists of parent representatives from every year group as well as a Chair, Vice Chair, Secretary and Treasurer.

Automatic membership to the PTA is given to every parent with a Child at the school.

What do we do?

The HSPTA raises money through a number of events and initiatives, including

- Spooks & Sparks fireworks display
- Christmas, Summer & Easter events
- Quiz nights & School disco's
- Car boot & second-hand uniform sales
- School lottery, business directory & sponsorship

We then use this money to pay for resources and experiences that enhance the pupils learning

Thanks to all your support, during 2020/2021 we raised £19,373 despite the Covid restrictions, and this year we have raised more than £14,000 by Easter.

This is shared across both schools based on the number of pupils.

In the Infant school the money raised has been used to provide educational toys, tablets, dress up clothes, learning resources, puzzles and books.

In the Junior school the money has been used to purchase iPads and lunch tables.
