

6th July 2021

Dear Parents and Carers,

As a response to the increasing number of positive COVID cases in the local community and the number of families having to self-isolate due to close contact we have decided to review our plans for transition day this Thursday 8th July.

Instead of spending the day in their new classes this Thursday the children will meet with their new class teachers outside, at a safe distance and take part in some activities together. There will be two opportunities to do this over the next few weeks; the first being on Wednesday, 14th July in the morning and the second on Tuesday, 20th July in the afternoon. We have decided to still share with the children their new teachers and classes on Thursday, 8th July. This will also be shared with you via email at the end of the day.

We will keep you updated if there are any further changes, but are hopeful these events will be able to go ahead to support the children in their transition.

Kind regards,

Zoe Loosemore
