Dear Parents and Carers,

At various times throughout the year we watch films in school, most often to enhance the curriculum, but also during wet lunch times or as a treat at the end of term. The films we currently watch are suitable for all ages (U). There are occasions when, as part of our curriculum, we may wish to show the children a PG film, '*Charlie and the Chocolate Factory*' for example. In order to do so, we would like your permission to allow your child to watch PG films. Teachers will check to ensure that these films are appropriate for children in their year group to watch.

If you do **NOT** give permission for your child to watch PG films in school for academic year 2022-23, please click on the relevant year group google form link below by **Friday 16th September 2022**. If you have not submitted the form by this time, we will assume that you have given consent for your child to watch suitable PG films in school.

If you are happy to consent for your child to watch PG films in school no action is required.

If you have any questions, please feel free to contact your child's teacher.

Yours sincerely,

Charlotte Hartley  
Deputy Headteacher
