

WE CARE

about learning

Working together

I discuss and share ideas with others to help us both improve our knowledge.

Enquiring

I ask questions, contribute and get involved in the learning.

Enthusiasm

I am eager to learn, improve my skills and always give 100% effort.

Reflection

I listen to advice and use feedback to help improve my work.

The Hiltingbury Learner

Creativity

I actively use my imagination and try different approaches to solve a problem and record my thinking.

Ambition

I have a can do attitude and push myself to reach my full potential - even if it's hard and I have to be resilient.
