

Parents were invited to submit questions before the meeting. None were received. SH mentioned the new structure of the school would be covered in the evening meeting on the 8<sup>th</sup> June for all parents. She then invited parents to discuss any topic they wished.

**Dates on the board**

Minor point – how are dates displayed on board?

Most classes will have both. (Quick survey afterwards 11/12 classes had both clearly on board – other class had short date)

**Reading**

Is the 100 book challenge still going in the school? Where are we with reading records?

The 100 book challenge is still being promoted by Mrs Pollock and Mrs R-Jones

**Homework diaries**

Are homework diaries continuing?

Different year groups are doing different things and they should have communicated this to the relevant group of parents.

**Winning and Losing**

We discussed ‘winning and losing’ in context of the recent year 5 cycling proficiency awards and the upcoming sports day.

**Spellings**

A parent commented on how well the new spelling system was working.

**Residentials**

Could the year 5 residential be over more nights?

We are looking at doing more nights for year 5, although we have to think of the cost for parents with residentials in every year.

We then discussed how children cope with residentials.

**Summer Fair**

A parent asked for any help with the summer fair.
