

<b>Autumn 2016</b>	
<b>You Said...</b>	<b>So we...</b>
Thank you for the Year 3 Parent Forum a few weeks into term and that you loved the new handbook.	Are going to repeat this next year with your suggestions, including having photos of staff in the handbook.
You would like a homework club.	We are going to discuss this as a staff to see if this is something that we are able to provide for and how this fits in with our revised homework policy.
You were surprised at the cost of the Year 5 residential. This is a new initiative of extending the trip to two nights away rather than one.	We wrote to all parents to explain the breakdown of the cost. We explained that the short turn around in the deposit was due to the provider but is something that we will ensure does not happen next year.
We are all loving having Sheldon as part of the school and we could see how well everyone is looking after him.	Are now allowing families to apply to look after him at home for weekends and holidays.
You were not sure about accessing Google with your child.	Mr Bidgood produced a video guide for parents.
