

Sports Funding - Academic Year 2017-18

Sports Funding grant – April 2017-2018: £15,725

Project	Detail	Cost	Intended Impact	How the Impact Will be Measured	Sustaining the Impact
Opportunities for sporting and active engagement at lunchtimes	<p>Employment of LSA to oversee activities</p> <p>Year 6 children trained to run activities at lunchtime and supervise the loaning of play equipment</p> <p>Restocking of play equipment when required</p>	<p>£2,200</p> <p>£100 (teacher time out of class)</p> <p>£500</p>	<p>Numbers of children engaging in active play are sustained.</p> <p>Opportunities for a range of active sports at lunchtime are offered</p> <p>Play leaders trained to a high standard</p>	<p>At points through the year a tally is taken of children who are engaged with the sport and playground games</p> <p>Play leaders are monitored to establish level of training given.</p>	Keep this as a key priority for sports funding
Extra curricular sporting competitions	<p>A number of teams taking part in extra curricular competitions:</p> <p>Football</p> <p>Cricket</p> <p>Netball</p> <p>Cross country</p>	£1000 (to release staff to take children to competitions)	Raise profile of intra-school sport competition	Records of children participating in competitive sport will show increase in opportunities from previous years	Continue to take part in the same sporting competitions in the following year
Inter house competitions	<p>3 inter-house competitions across the year for all year groups.</p> <p>Each year group to take part in at least one additional inter house competition during the year (class v class)</p>	£2000 (to release staff to run these competitions)	To raise the profile of inter house competition / sport contributing to the bronze level sports mark	Achievement of the bronze sports mark	Achievement of the silver and gold marks in successive years

Introduce a range of sports to the children	Introduce taster sessions to the children to raise the profile of sports not covered in games lessons. For example: Archery Badminton Street Dance	£1000 (to cover the cost of bringing in an instructor, equipment and visits)	Children taking up these sports outside of school time	Survey the children to see if interest has been sustained	Children continuing to attend clubs Explore possibilities of including the sports in the school curriculum
Outdoor fitness gym	In response to the 'Hiltingbury General Election' the winning manifesto wanted gym equipment. Gym equipment, installation and associated 'ground cover' to be included	£9000	Children using the equipment as part of lunchtime and Games lessons.	Monitoring the use of the equipment to see how frequently they are being used and by how many children	Continued use of the gym equipment in successive years.
Re-equip PE shed with quality items to enhance lessons	To enable children to use good quality equipment by updating those that are showing signs of age	£500	Quality resources available for PE and Games lessons	Good quality lessons with significant use of the available equipment	Resources well cared for and stored correctly
