Acting Headteacher: Mr Jon Clark

17th October 2018

Dear Parents and Year 6 children,

Proposed Y6 Residential Visit to the Isle of Wight – 10th – 14th June 2019

After last year's highly successful visit to the East Dene Centre at Bonchurch on the Isle of Wight, we are again booking this venue as the Year 6 residential trip week commencing 10th June 2019. Quite apart from the range of curriculum studies which can be provided in such a week, the real gains from this type of visit for pupils at this age are in the social and emotional areas of child development. For many of our children this could be the first extended time away from their parents, and in this respect it is one more aspect of preparation for Secondary Education, where field trips are an integral part of work programmes. We can offer them a chance of this experience to be within the 'extended family' setting of the Junior School year group.

As the intended centre is popular, we have made a provisional booking and would now like to discuss the relevant details with you at a meeting for **parents and Y6 pupils** to be held in the School Hall at 6.30pm on **Thursday 8th November 2018**. There will be a short presentation given by myself and there will be ample opportunity for questions and discussion. If you are unable to attend please indicate and we will ensure that you receive all necessary information. Please return the attached slip by Friday 2nd November.

We look forward to seeing you and your child on the 8th November.

Yours sincerely,

Charlotte Hartley
