Dear parents,

In our French themed design & technology lessons, the children will be making their own healthy French meal – Salade Niçoise.

Before the children can design their own salad, they will be comparing recipes and identifying similarities and differences. We will be giving the children the opportunity to taste the main ingredients during our D&T lesson in the week commencing 21st January 2019: tinned tuna, black olives, anchovies, lettuce and rocket with French dressing. These ingredients, along with potatoes, will be provided by school for your child to use when making their own salad, should they wish to use them!

The children will be making their designed salad in the week commencing 28th January 2019. Your child’s teacher will send a reminder with the specific date for the class during the tasting week, along with a list of the additional ingredients that your child has chosen to include. These additional ingredients will need to be brought in to school on the morning that your son/daughter makes their salad. These ingredients will need to be ready to add to the salad (e.g. cooked pasta or egg, grated cheese, chopped peppers). They will also need to bring in a named container (with a lid), that is large enough to present their salad in.

We are aware of any allergies in the Year group, but if, for any reason, you do not wish your child to participate in any part of the tasting, please let us know, using the slip beneath

At this time, we would like to ask for a contribution of £2.00 towards the cost of the ingredients that we will provide for the tasting and the making of the salads. Please submit this with the slip beneath.

Kind regards,

Mrs Pollock, Mrs Oldham, Mrs Deacon and Mrs Nurdin

Dear Parents,

For many years, it was only the children in Year 6 who went on a residential trip. In 2013, Year 3 launched an overnight stay in the school hall and now this is an annual event on the school calendar.

The date for this year's Year 3 residential is Friday 28th June – Saturday 29th June 2019. The children will arrive at school in the morning as normal, but those who are participating in the sleepover will bring their overnight clothes and bedding (roll mat, sleeping bag and pillow) with them. They will then spend the evening in the school grounds, with a giant sleep over in the hall. They will have breakfast together in the morning, ready to be collected by parents at 9.30am on Saturday 29th June. Children who choose not to take part in the sleepover will be collected as normal at 3.30pm on the Friday. All the children in the Year group will be in non-school uniform that day, whether they are staying for the sleepover or not.

Obviously, we are in the early throws of organising the residential and there will be plenty of details to follow, but we estimate that the cost will be no more than £15 to cover food and drink, resources for the activities and a Roman themed drama workshop. There will be a high staff ratio, provided by the goodwill of staff from across the school.

We hope that you will put this date in your diary. During their time in the Junior school, the children will be offered a range of opportunities to stay away from home. However, along with the other residentials offered, the overnight stay is not a compulsory part of the curriculum.

Thank you for your on-going support.

Yours sincerely

Catherine Pollock
