The Before School Club (also known as the 8 o'clock Club) is held in the Infant School hall every school day. The After School Clubs (also known as Treehouse Clubs) are held in both schools.

All staff have been police checked and have suitable qualifications or experience in play work/childcare; for key staff members this includes First Aid and Food Hygiene.

Any differences between the Infant and Junior School Clubs in the following information are indicated in *italics*.

Booking a place at the Clubs

The Before School Club runs as a 'drop in' session so it is not necessary to book a place for your child. *You do, however, need to book a place in the Infant After School Club and bookings and enquiries are taken in the infant school office or via the Club Leaders. Please note we have a limit of 50 Infant places available and we cannot guarantee a place.*

Cancelling a Place at the Infant Club

To maintain the correct level of support for infant age children we limit our numbers to 50 and do have a waiting list. We therefore need advance notification, 5 working days prior to cancellation, if you no longer require the place, otherwise you will be charged one hour. However, if your child is ill then we will, of course, accept cancellation on the day.

For booking or cancelling a place you can email adminoffice@hiltingbury-inf.hants.sch.uk or ring the infant school office on 02380 265414. For all queries regarding payment issues please email treehouse.club@hiltingburyjuniorschool.co.uk

Aims

It is the Clubs aim to provide a happy, stimulating, safe and comfortable environment, which would offer each child security and the freedom to develop self expression and confidence in play.

Children will always be given respect and choice to encourage them to reach their full potential by learning and gaining experience through play opportunities.

Most importantly, we want all children and staff to have happy memories and to provide parents/carers with an excellent service.

Opening Times

The Before School Club is open daily during term time from 8 o'clock. The After School Club is open until 6.00 pm daily. (Children may not leave the school premises, i.e. to go to the park, and then return to After School Club – this only applies to the Junior School children attending after school netball, football etc.)

Fees

Currently child care fees are £3.50 per session for the Before School Club. For the After School Club the minimum payment is £4.00 for one hour and £2.00 half hourly thereafter. This is regardless of what time your child starts at the Club – i.e. if they go to Football Club until 4.30pm and then to after school club from 4.30pm until 5pm the charge will be £4.00. All parents who pay by cash or cheque (payable to HCC) are expected to clear their outstanding balance **weekly**. Payments can be sent to either school office or given to the Club Leaders.

Parents paying by Childcare Vouchers or via on-line payments should make **at least one payment per month** and this should clear the outstanding balance. It is very easy to pay on-line and this is done via the Junior School Scopay system. (If you are not registered and wish to do so please contact either School Office who can provide you with a letter and code to register). Please note we do not routinely issue Statements but if you require one please do not hesitate to contact the Club.

If individual accounts are not settled within a maximum of four weeks or if they go above £200 we reserve the right to ask you to make alternative childcare arrangements. If you are suffering from financial hardship or there are extenuating personal circumstances please do get in touch as soon as possible.

Enquiries

If you would like to discuss any matters with regards to the Club please contact or talk to the Club Leaders. If you would like to visit our setting you would be very welcome and we look forward to meeting you. If we can help in any other way please let us know.

Dropping Off/Collection of Children

All infant school children will need to be dropped off and signed in at the 8 o'clock Club by an adult. Junior school children can sign themselves in.

Under section 3950 of the Children's Act 1989, all Club Leaders and Play workers will "do what is reasonable in all circumstances of the case for the purpose of safeguarding or promoting the child's welfare". A child will not be allowed to go home under any circumstances without a parent/carer or someone appointed by them. All children must be signed out by parent/carer in the book provided. If staff have any concerns regarding the person collecting enquiries will be made.

Parents must provide written consent if they wish their child to be collected by anyone other than the person who normally collects. Please collect your child promptly, by 6.00 pm at the latest. If, on a rare occasion you are unavoidably detained, please contact the relevant club on the mobile telephone number shown in this booklet. When children are collected after this time there may be an additional charge.

Security

Infant School - for security reasons the entrance by the school office is not accessible for parents to deliver and collect their children when using the Clubs in the Infant School. We therefore ask you to use the entrance at the back of the school (by Spruce Class) and we will let you know if there is any variation to this. A keypad number entry system is in use – please ask for this when making a booking. **The contact telephone number after 4.00pm is 0751 6697152.**

Junior School - access to the Junior School Club is via the front door.

The contact telephone number after 4.30pm is 07852 920263.

Access

The Infant After School Club is available to all children who attend the Infant School from Reception to Year Two. Reception children are welcome to join us once they have started school full time. We are unable to accept children who attend school on a part time basis, as they are still getting used to being at school.

The Junior After School Club accepts children from the Junior School aged from 7 to 11 years.

We welcome children of all abilities, cultures, faiths, gender, personal or physical circumstances. We aim to provide a play environment that has kindness and consideration and respect of others at its heart.

Food

We provide the children in our care with a healthy snack which may include crackers, sandwiches, wraps and fresh fruit or vegetables. We offer a choice of fillings, such as cheese, jam, tuna etc. There is also a selection of drinks available e.g. water, squash and juice. We request from all parents details of any allergies known and, if appropriate, we invite you to provide your child with a suitable snack.

Activities

We provide a varied and enjoyable setting for the children. We use structured planning for some art activities and indoor and outdoor games and also encourage the children to enjoy free play. We ask the children daily what they would like to do and endeavour to please all. We offer a range of activities that include cooking, painting, drawing, craft making, play dough, construction, train track, dinosaurs, cars, lego, puzzles, outside games (weather permitting), small world play and dressing up. Behaviour Policy **for Hiltingbury School Services**

Aims

To encourage appropriate behaviour and support the safety and well-being of children and adults at the clubs.

To help children follow the Infant School / Club rules:

- Respect Yourself
- Respect Others
- Respect Our School

In the Junior Club:

- Always treat other people with respect
- Take care of our environment and property
- Be responsible for your own actions and learning
- Keep yourself and others safe

In both clubs, rewards for good behaviour include praise and comments to parents and teachers.

Sanctions for inappropriate behaviour can include talking with the Club Leader, involvement of a senior teacher or Headteacher and discussion with parents.

Any child who behaves inappropriately after the above sanctions, will be monitored closely by the club leader / senior school leaders to see if their behaviour improves. If there is no improvement then the headteacher may ask that child not to attend the club.

For a serious breach of discipline then the Headteacher may move straight to an exclusion from the club.

General Data Protection Regulation – May 2018 Privacy Notice - How we use personal information

Under data protection law, individuals have a right to be informed about how Hiltingbury Junior School and Treehouse Clubs uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils**. We, Hiltingbury Junior School and Treehouse Clubs, are the 'data controller' for the purposes of data protection law.

Our data protection officer is our Business Manager (see contact details below).

Why do we collect and use personal information?

We collect and use personal information:

- to support pupil learning
- to monitor and report on pupil progress
- to provide appropriate pastoral care
- to assess the quality of our services and how well our school is doing
- statistical forecasting and planning
- to comply with the law regarding data sharing

The categories of personal information that we collect, hold and share include:

- personal information (such as name, unique pupil number and address)
- characteristics (such as ethnicity, language, nationality, country of birth and free school meal eligibility)
- attendance information (such as sessions attended, number of absences and absence reasons) and exclusions
- assessment information
- modes of travel
- relevant medical, special educational needs and behavioural information

The General Data Protection Regulation allows us to collect and use pupil information with consent of the data subject, where we are complying with a legal requirement, where processing is necessary to protect the vital interests of a data subject or another person and where processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller. When the personal information is "special category" Information we may rely on processing being in the substantial public interest in addition to consent of the data subject and the vital interests of the data subject or another.

Our requirement for this data and our legal basis for processing this data includes the Education Act 1996, 2002 and 2011, The Childrens Act 1989 and 2004, Education and Skills Act 2008, Schools Standards and Framework Act 1998 and the Equalities Act 2010.

Our legal basis for using this data

We only collect and use pupils' personal data when the law allows us to. Most commonly, we process it where:

- we need to comply with a legal obligation
- we need it to perform an official task in the public interest

Less commonly, we may also process pupils' personal data in situations where:

- we have obtained consent to use it in a certain way
- we need to protect the individual's vital interests (or someone else's interests)

Where we have obtained consent to use pupils' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn. Some of the reasons listed above for collecting and using pupils' personal data overlap, and there may be several grounds which justify our use of this data.

Collecting personal information

Whilst the majority of personal information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain personal information to us or if you have a choice in this. Where we are using your personal information only on the basis of your permission you may ask us to stop processing this personal information at any time.

We are required to share information about our pupils with our local authority (LA) and the Department for Education (DfE) under section 3 of The Education (Information About Individual Pupils) (England) Regulations 2013.

Data collection requirements:

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

The National Pupil Database (NPD)

The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our pupils to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.

To find out more about the pupil information we share with the department, for the purpose of data collections, go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>.

The department may share information about our pupils from the NPD with third parties who promote the education or well-being of children in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The Department has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested
- the arrangements in place to store and handle the data

To be granted access to pupil information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
